M.Tech Computer Science - Networking Technology

Post Graduated M.Tech Computer Science student completing a Networking major with a Cloud Computing minor. Passionate about new technology learning, exploration and engineering with strong interpersonal skills and auto didactic tendencies.

Previous Employment

- L J College of Engineering and Technology** **Ahmedabad**
○ *Assistant Professor and Network Administrator, Computer Science Dept* *Aug 2014–Nov 2015*
I was an Assistant Professor in Computer Science Department for various subjects like Computer Networks, Network Security, Cloud Computing, Routing Technology for engineering as well as Master's Faculty. Besides that my another major role was to maintain Network Administration of College Campus as well as also for external examination conduction . This early experience taught me patience through the difficulties faced when working with network troubleshooting.
Project : Migration of Laboratory Network on Cloud with Amazon Web Services(AWS)
Client : In House: Computer Lab Duration : Dec 2014–Oct 2015
- Siemens Enterprise Communications** **Ahmedabad**
○ *Pre Sales Engineer, Design and Support Division* *Jan 2012–Oct 2012*
I worked as a Graduate Engineer Trainee for Design and Support team in Ahmedabad Region. My Job profile was to communicate with the clients, understand their requirements, and help the designing team to make most suitable solution for client and convert their query into Business. The job mostly involved troubleshooting of Network related issues in Audio and Video Conferencing. I also able to learn the Designing and Security Part for New Client Setups. This job gave me a chance to practice the technologies which working with a Medium and Larger Corporate Enterprise Network to make them Fault Tolerant. The most applicable skill I learned from this experience was time management and work priority which can satisfy our Clients and our Company Both.
Project : Design and Maintain Network and A.V Setup
Client : Transformers and Rectifiers India Ltd. Duration : Mar 2012–Oct 2012
