Abstract title goes here

Presenting Author[1*], Author 2[1], Author 3[2]

[1] Affiliation of Presenting Author
email.address@presenting.author
[2] Affiliation of Second Author

Key words: *First keyword; Second keyword; third keyword*
Method 01 Lattice Boltzmann Method
Area of application C Multiphase Flows and non-ideal Fluids

Please write your abstract text here (less than 400 words). Please ensure that, when compiled, the abstract, figure, and any references fit on one page.

You can cite articles or books such as [1] or [2]. You may also include figure and refer to it: Figure 1.

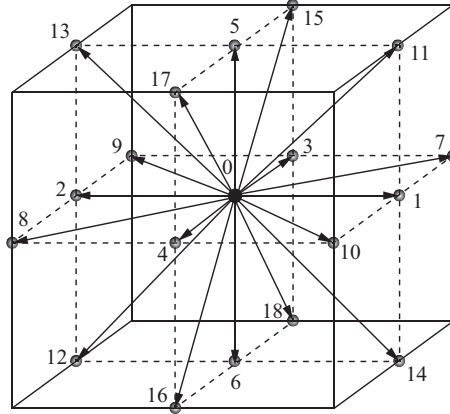

Figure 1: The figure caption goes here.

You can type equations like this,

$$E = mc^2 \tag{1}$$

and you can refer to it like so : equation (1).
