

# Presentation Title Here, Chemical Example $\text{ABO}_3$

First Author\*<sup>1</sup>, Second Author<sup>1</sup>, Third Author<sup>2</sup> Fourth Author<sup>2</sup>

<sup>1</sup>Institution One Name, Country

<sup>2</sup>Institution Two Name, Country

Please type your abstract in English here. **The maximum number of words is 150.** Longer abstracts will not be considered. The abstract can include text, mathematical symbols, and inline equations (for example  $T_C = 500K$ , or  $\mu_B = -\frac{e\hbar}{2m_e c}$ ) only. You can refer to pre-prints [1], ideally providing a link for online access [2], [3]. The **total number of references should not exceed 3.** Please refer to the README.txt for submission instructions.

## Acknowledgements

Please type here the acknowledgements to your work. **The maximum number of words is 150.**
