Some text here...

1.1 Second level heading

Some references for example, like this Yvonne N. Bui's Bui (2014) step-by-step guidebook about how to write a thesis. To help you with Overleaf \LaTeX , see Overleaf documentation Overleaf (2019). Let's add an article as well (Farughian et al., 2018).

Easy way to create tables from .csv-files at <https://www.tablesgenerator.com/>. And then something about table 1.

1.2 Another second level heading

Describing figure 1 here. Unfortunately \LaTeX does not support alternative text for figures. You'll have to add them to otherwise ready pdf-file.
